COMMUNICATION

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

Enclosed herewith is a substitute Declaration executed by the Inventors
on October 10, 2001. Please replace the Declaration filed August 2, 2001 with the
enclosure.

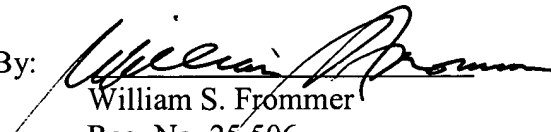

The Declaration filed August 2, 2001 incorrectly identified the priority document as Japanese Serial No. 2000-237246. This inadvertent typographical error is believed to be cured by the enclosed Declaration which bears the correct Serial No. of the priority application (2000-237245).

It is respectfully requested that a corrected filing receipt, identifying the proper priority number, is issued.

Respectfully submitted,

FROMMER LAWRENCE & HAUG LLP
